

The Plateau of Folgaria

The plateau of Folgaria is one of the main winter tourist centres that can be found along the Brennero corridor and can easily be reached from many cities.

Our Holiday -Apartments are surrounded by a dream winter landscape, in the midst of meadows and woods, only a few minutes away from the town centre. Its location is ideal for snow holidays focusing on leisure and winter sports, but also on relaxing walks on the fresh and pure surrounding snow.

Only a few steps away from our Residence La Madonnina, you will find many opportunities to enjoy yourself in the fresh snow, surrounded by the breathtaking settings of the Alpine arc: Alpine skiing, snow-boarding, sledges, cross-country skiing, ice skating and many more. State-of-the-art sports facilities and plenty of unspoilt nature are awaiting you!

In the close vicinity of our hotel you will find:

the Sanctuary of Our Lady of Graces,

the ethnographic museum in Maso Spilzi,

the Biotope of Ecken,

Forte Sommo Alto.
